JAN REAMING

Jan and I met at a gig played by a local band that I knew. I was with a load of my older rocker mates, when she walked up and began chatting to one of them. My eyes were drawn to her immediately and they wouldn't leave her. I could tell she was much older than me – maybe late 30s, or early 40s. Not that she looked old– she had an amazing figure and a stunning face – but she had an easy assurance about her. The way she walked and spoke portrayed a confidence that she was at ease in her own skin – something that I had never experienced with girls my age. And although she dressed quite young (she was wearing leather jeans and a tee that night we met), she managed to pull it off without looking like mutton dressed as lamb.

> "SHE NUZZLED EACH OF MY BALLS BEFORE RUNNING HER TONGUE UP MY DICK..."

After being introduced, we started chatting away and without us even noticing, our mutual mates melted away so we were alone. As the evening wore on Jan became more tactile, touching my arm for emphasis when making a point, laughing a bit louder at my jokes, her eyes twinkling at me, sexily. I wanted this woman.

The night flew by and before we knew it, last orders were being called; we had whiled away a couple of hours like it were mere minutes, and the attraction between us was obvious. It turned out she lived just up the road, so she invited me to hers for a quick 'coffee'. As we walked back, I admired her fit body: slim legs, a tiny waist and large boobs. She caught me looking, but simply grinned and hooked her arm through mine.

Once we arrived, she left me in the living room to sort out some music while she fixed us some drinks. I was perusing the back of a CD case when I heard a noise and looked up. Jan stood in the doorway, completely starkers, except for a pair of 6" stilettos, her long, dark hair cascading around her shoulders. Time had certainly been kind to her; she had the firmest, roundest boobs I had ever seen, pink nipples poking at me, and taut thighs that framed her dark, trimmed thatch. I must have stammered something, because she strode up to me and pressed her finger against my lips.

Running a hand down my chest, she pushed me onto the sofa. She straddled me and sank down, her lips locking onto mine, and her tongue exploring my mouth, passionately. I felt like a kid in a sweet

IT'S LEIGH FOR ME!

Dear *Mayfair*,

As a reader of your great magazine (as well as other ones you publish such as Men Only) for over 10 years now, I've lost count of the gorgeous girls you've featured; there's been Tommie Jo, Hannah Claydon, Kelly McGregor, Danielle Maye and Michelle Thorne, to name just five, but the number one babe as far as I'm concerned has to be the delicious Nina Leigh! She is an absolute stunner with her suckable boobs, pretty face, lovely brown hair and eyes, and of course her lovely shaven pussy! She has to be the girl of the century – or decade at least! How I wish I were playing with her sweet pussy and boobs right now…

Andrew, Milton Keynes.

We know what you mean, Andrew – there's definitely something about our Nina! – The Ed.

shop and didn't know where to start, so I ran one hand over her tight arse and let the other squeeze and fondle each tit one by one, pulling on the nipples, making them harder still.

Jan could obviously sense that I was slightly overwhelmed because she fed one of her ample breasts into my mouth and I sucked on it like it was the first one I'd touched, enjoying the feeling of my tongue making her nipple hard, before gently catching it with my teeth.

My cock was straining to escape my jeans but she wasn't letting me free just yet, moving up my lap and pressing her cunt hard against my cock shaft, moving slowly up and down while she stripped off my T-shirt and ran her nails down my chest. Even through my jeans, I could feel the heat coming from her snatch, as we writhed together.

I had to get in that pussy, and she knew it. I pushed her off, stripped off the rest of my clothes, and pulled her back again. There was no doubt who was in charge as she squatted over me, immediately enveloping my cock in her hot, velvety pussy. Fuck, she knew some tricks! Moaning loudly with every stroke, she used her strong thighs to move herself up and down and to plough my cock as deep into her as she wanted. My hands grabbed at her full tits as they bobbed up and down in my face, and I ran them over her arse, occasionally dipping my fingertip inside her bumhole.

We both knew I would not last long if she continued at that pace, so Jan climbed off and explored my cock with her mouth, giving me the time to come down from the brink of climax. She nuzzled each of my balls before running her tongue up the length of my dick, her eyes locked onto mine the entire time.

She seemed to know when I was ready to restart, and moved onto her knees, inviting me into her delectable pussy. I smiled to myself, thinking that she couldn't blame me for trying, before closing my eyes and enjoying the feeling of my member disappearing into her dark, wet snatch. I began to pound into her, getting harder and faster with every thrust until her face was buried in a cushion and I could barely hear her muffled screams. Then I felt her body begin to shudder, and her pussy muscles clench tightly around my dick, so I knew she was coming. I pummelled her like a jackhammer and when she came, I could feel her juices gushing out around my cock.

After she had caught her breath, she moved onto the floor, legs spread wide. I needed no encouragement and moved down on top of her, penetrating her again as she grabbed my arse and pulled me in, building up a steady rhythm.

I couldn't help staring down at the wonderful sight of my cock sliding in and out of her juicy fanny, her legs wide apart. She moved her hand down and started to make little twitchy movements over her clit, her breath coming out in short bursts and her back arching as she got closer to coming. "Move up here," she gasped, "I want to taste you as I come!" I straddled her chest as she took my cock in her mouth and began sucking furiously. Her hand was still frigging away behind me, and I closed my eyes as I enjoyed the sensation of this woman frantically swallowing my length. Suddenly, the sucking stopped and I could tell by her muffled moans she was close to climaxing again. I held her head still as I continued to pump at her, fucking her mouth like it was a cunt, and started to spurt, my jizz filling her mouth as she recovered from her own orgasm. I wanked my shaft as I pulled out of her mouth, draining every drop down over her chin and face.

After my experience with Jan, I find myself eyeing up older women over younger ones, so I've obviously been converted! I'm a firm believer that things get better with age, and women are no exception!

Marty, Reigate.

SIMPLY PERFECT!

Dear *Mayfair*,

I've never written to you (or any magazine, in fact) before, but I was simply blown away by the pictures of the gorgeous Sarah that feature in your latest issue (49.03). From top to tail I can't think of a single way in which she could be improved, other than perhaps a far greater physical proximity to me. I love the last picture, where her pussy's facing away from us but reflected back in the mirror – please pass on my warmest regards to Sarah herself, and my congratulations to the photographer who shot her! Any chance of another look at Sarah in the near future?

Cheers!

Mike, Denham.

Yep, Sarah's quite a corker, isn't she? We'll definitely do what we can to get her back in the mag before too many moons have passed! – The Ed.

PC GONE MAD!

Being useless with pretty much all things electronic, I was in a state of dismay recently when my laptop started playing up. One evening, in the pub, I was moaning about it to my best mate, Greg, when he suddenly chirped up that it was most likely something simple and that I should drop it round for him to take a look. I immediately bought him another pint and we agreed that I would come by the next evening and let him have a fiddle with it to see what could be done.

I walked to Greg's with a six-pack of beer and sat out on his decking, lapping up the late afternoon sunshine while he worked on my laptop inside. He shouted something to me about drivers and filters but I had no idea what he was talking about.

After about twenty minutes, I went back in to grab another beer from the fridge when I noticed Greg was looking a bit sheepish. I asked is everything was OK and he nodded, "Yeah, it's all fixed mate. Told you it would be something simple."

Greg wasn't quite himself and I could suddenly see why. He had my laptop in front of him and had clicked onto a file simple titled 'Jennifer'. My wife's name. He was ogling around fifty snaps of my wife in various states off undress, and not just naked but sucking on my cock and playing with her pussy and nipples.

"I DIDN'T KNOW HOW TO FEEL. MY BEST FRIEND HAD SEEN EVERYTHING MY WIFE HAD TO OFFER."

"Sorry mate, I just couldn't help it," he said, his face almost crimson. I was speechless; I just didn't know how to feel. My best friend had seen everything my wife had to offer. Jennifer has a wonderful body, soft full tits and long pink nipples. Her pussy hair is trimmed right back to show off her wonderfully large cunt lips that I just adore sucking on. She was gorgeous and I was very proud of her – sometimes I wished everyone knew just how lucky I was. But now, in the cold light of reality, I really didn't like the thought of Greg picturing my missus as he wanked off.

When we copped a load of the super-cute Chloe Toy during the shoot for *Mayfair* 49.01 we knew we wouldn't be able to resist her charms for long, so almost before she'd got home that day we were back on the phone asking if she might be able to fit us into her busy schedule once again. She couldn't have been more obliging, and a few days later we were back exactly where we wanted to be – sat a few feet away as the girl herself peeled off her clothes again! Now you might think that as hard-nosed professionals we might get a bit blasé about all this sort of thing, but when it's a girl as sexy as Chloe doing the peeling off, you can be assured that it ain't our noses that are hard – and if anything she seemed to enjoy the whole situation even more than we did. Talk about a match made in heaven – her bod and our eyes!

Michael Jackson's Alleged Probable Love-Child Shocker

Thirty-one-year-old singer Brandon Howard may just be Michael Jackson's secret son. The crooner, who has a striking resemblance to the late legend, took a DNA test from a dental imprint revealing a 99.9 percent match to the man whom people with next to no musical taste habitually refer to as the King of Pop.

Dr Joseph Goodman, a Beverly Hills dental surgeon, revealed the alleged results, and claimed he obtained a sample of Jackson's DNA from a dental device that had belonged to the Thriller singer and was purchased by Goodman at auction.

Despite consenting to a mouth swab for the DNA test, Howard released a video on Facebook distancing himself from the publicity surrounding the test shortly before the results were revealed.

"It seems a lot of people are speaking on my behalf, so I'm going to keep this simple," he said. "One, I didn't put out a story. Two, I never proclaimed to be his son. Three, I am definitely not suing the estate. Four, it's true I had a DNA test, but this had nothing to do with any of this."

Jackson estate lawyer Howard Weitzman muttered: "It sounds like a fraud to me. I've never heard of the man."

Brandon was previously supposed to be the son of gospel singer Miki "Billy" Howard, who knew Jackson in the early 1980s. Brandon was born in 1982, one year before Jackson's hit Billie Jean was released… which is a song about him denying the paternity of a child.

Lawyer's Real-Life 'Better Call Saul'-style Ad Goes Viral

Laws are Arbitrary

A Pittsburgh, Pennsylvania lawyer's online commercial showing smiling robbers, drug dealers and prostitutes flashing thumbs up and thanking him for getting them off the hook has garnered untold thousands of views and drawn fire from a local bar association.

One fictional criminal pauses while climbing out a window, carrying a laptop to say "Thanks Dan!" to the camera, while a pair of men carrying handguns offer a similar message before pulling ski masks over their faces in the 3½ minute ad posted on YouTube by criminal defence attorney Daniel Muessig.

Muessig, a 2012 University of Pittsburgh Law School graduate, then makes his own pitch: "Trust me, I may have a law degree, but I think like a criminal."

The ad was viewed more than 80,000 times in the first week, and the 32-year-old attorney says he believes the tongue-in-cheek approach will appeal to possible clients.

"I wanted to connect with my potential clients in a way that people from my generation could understand," he says. "I wanted to give people something memorable and entertaining."

However, Tom Loftus, spokesman for the Allegheny County Bar Association, said he found the ad "insulting to Pittsburgh lawyers and lawyers across the country, who take great pride in their profession". Even if the public detest them.

Muessig defended the ad by saying: "It's a send-up of the cartoonishly amoral Jewish criminal defence attorney," he said. And who knows, maybe he's right?

COMINGSOON

The Expendable expand, raccoons tool up and a film about a loft…

LIVE FOR NOTHING
DIE FOR SOMETHING
THE EXPENDABLES 3
SUMMER 2014

Coming up, whether or not anyone is interested – is yet another slew of films, most of which highlight Hollywood's increasingly staggering and blatant inspirational bankruptcy and lack of quality control.

More action stars than you could shake a shitty stick at take a bow in the upcoming THE EXPENDABLES 3 featuring Sylvester Stallone, Jason Statham, Jet Li, Dolph Lundgren, Randy Couture, Terry Crews, Arnold Schwarzenegger, Wesley Snipes, Antonio Banderas, Harrison Ford, Kelsey Grammer and even Mel Gibson as the villain, Conrad Stonebanks.

Stonebanks, it seems, co-founded The Expendables with Barney (Stallone), but subsequently became a ruthless arms trader and someone who Barney was forced to put in the ground… or at least that's where Barney thought he was. But no… cue manic laugh… Stonebanks has eluded death and is now determined to end The Expendables.

OK so I'm not much of a gambler but my money's on Gibson to win.

In TAMMY, bruiser Melissa McCarthy teams up with her grandma – played by Susan Sarandon with her hair dyed grey – on a road trip after totalling her clunker car, being fired from her job at a greasy burger joint, and finding her husband humping the neighbour. Granny has a car, cash, and an itch to see Niagara Falls. Sounds like one half of *Thelma and Louise* circling the drain, but who knows, perhaps the flick will surprise us.

More Marvel mayhem on the horizon with GUARDIANS OF THE GALAXY. From the studio that knocks out global blockbuster franchises such as *Iron Man, Thor, Captain America* and *The Avengers*, comes a new team. Advertised as an action-packed, epic space adventure, the flick expands the Marvel Cinematic Universe into the cosmos, where brash adventurer Peter Quill finds himself the object of an unrelenting bounty hunt after stealing a mysterious orb coveted by Ronan, a powerful villain with ambitions that threaten the entire universe. To evade the ever-persistent Ronan, Quill is forced into an uneasy truce with a quartet of disparate misfits: Groot, a tree-like humanoid, the enigmatic Gamora, Drax the Destroyer and (wait for it) Rocket, a gun-toting raccoon. Yes you read the last bit right.

Lastly this month, Karl Urban is to star in THE LOFT, a film about five men who shag women in a loft they share. Only one night they find a dead woman there! OMG. Which one of them has knobbed her to death?

Putin On The Shitz

What better way to show one's contempt for contemporary Russian politics and all this nonsense in Ukraine and the Crimea than to stick a Vladimir Putin buttplug up your arse?

Certainly I can think of nothing more efficacious which does not involve the exchange of intercontinental ballistic missiles with nuclear payloads in their nose-cones.

Crafted in sandstone – yes, sandstone – the buttplugs are painted to resemble the Russian Federation supremo by an artist named Sosa.

Says he: "This is the second of my politically-oriented figurines. As you know, Russia is bringing an all-out war against the civil rights of gay people in Russia. Leading the charge is Mr Putin and his homophobic leadership. I wanted to ridicule Mr Putin so I wanted to make a doll of him so people could do whatever they wanted to Mr Putin in the privacy of their own home. However, what a better way to attack Mr Putin's shirtless bear-wrestling reputation? Make him into the shape of a buttplug."

Putin's anti-gay policies have also inspired the "Send A Sex Toy To Vladimir Putin" Facebook campaign.

Meantime, Sosa is trying to improve his product.

"I'm looking for a few people to help me buy raw materials like skin safe silicone or rubber," Sosa recently said on his website.

The artist is currently selling the novelty plugs for a modest $23.

Go on, buy one, shove it in, really hard, and show your contempt for the naughty man in Moscow.

STUART MacBRIDE: The 'Logan McRae' series and 'Ash Henderson' novels

Stuart MacBride is a Scots writer, famed for his crime thrillers set in the "Granite City" of Aberdeen and featuring Detective Sergeant Logan McRae.

Born in 1969 in Dumbarton and raised in Aberdeen, his previous careers include scrubbing toilets offshore, graphic design, web design and IT/computer programming.

MacBride's publishing deal was secured with his science fiction novel *Halfhead*, set in a future Scotland where murderers are lobotomised and have their jaws removed so they can't bite people. However, the publishers were more interested in *Cold Granite*, a gritty police procedural featuring one DS Logan MacRae of Grampian Police.

Stuart was signed on a three-book Logan deal, which was further extended to six books. In 2009 he signed another deal, allowing him to write two more Logan books, and two standalone novels.

The Logan McRae series is composed of the novels *Cold Granite* (2005), *Dying Light* (2006), *Broken Skin* (2007), *Flesh House* (2008), *Blind Eye* (2009), *Dark Blood* (2010), *Shatter The Bones* (2011) and *Close To The Bone* (2013). And his next project is to write another.

Other works include *Sawbones* (2008), *Halfhead* (2009), and *Twelve Days of Winter* (2011).

Among his many awards are the Barry Award for Best First Novel, 2006 (for *Cold Granite*), the CWA Dagger in the Library Award, 2007, and ITV3's Crime Thriller Award for Breakthrough Author of the Year, 2008 (for *Broken Skin*).

In 2012 MacBride produced *Birthdays For The Dead* incorporating what are, arguably, his most believable and inspired characters yet: ex-bare-knuckle fighter and demoted Detective Inspector Ash Henderson of the (fictional) city of Oldcastle police, his binge-drinking, half-crackers forensic psychologist Dr Alice MacDonald, and ghastly, foul-mouthed, loan sharking enforcer Mrs Maeve Kerrigan.

Stuart's equally brilliant follow-up novel, *A Song For The Dying*, has just been published and is every bit as good as the first book.

Holly here's a newbie as far as *Mayfair*'s concerned, but already we're completely smitten with her combination of old school glamour and 21st Century naughtiness. But what's the significance of the carousel horse we wondered…

"Oh, no real significance!" she laughed, "I've just got a bit of a thing for collecting junk, and when I found this in a scrapyard a couple of years back I couldn't resist it!"

Fair enough – it's got a certain retro charm about it after all – although nowhere near as much charm as Holly herself. Still, if she's interested in shabby old relics, perhaps we ought to give her the Ed's phone number…

21st CENTURY TOYS

Feeling a little empty inside? Fear not, for JAMES SAINT is here with his turgid tech-cock, ready to pump you full of hot gadget fact…

April is here, spring has sprung, lambs are gambling on the fixed odds machines down Ladbrooks and the UK's biggest gadgetfest, Gadget Show Live is about to kick off at the NEC in Birmingham (depending on which area of April you read this in), so it can be truly said that spring is the season of new doohickey deluge.

And to back up my wild claim with some cock-hard fact, if you care to rub your eyes across these very pages you'll find a sexy sextuplet of the very latest emissions from the great electronic anus in the sky, keeping you covered for everything from getting lucky with a lady, keeping your kit up with portable power Viagra, 21st Centuryising (not a word) your calligraphy, ensuring you never miss a TV show about Michael Portillo on a train ever again, and upping the audio ante to the point of an aural explosion when you watch it back. Probably some other stuff too, but I was drunk when I wrote most of it so I can't remember now.

So, sit back and take it all in like a good boy. And if you're heading to the Gadget Show Live, don't forget to head on over to the Mayfair 21st Century Toys stand! Well, it's not really a stand, more just me standing about a bit. Well, not even standing come to that, probably more sat down somewhere. Not even that, though, I suppose – slumped at the bar is your best bet if you really want to find me. What? Do I owe you fucking money or something? Leave me the shit alone!

USB Mix Tape £15

Editor's PICK

The mix tape – the epicentre of any attempted courtship back in, what we oldsters like to refer to as, 'the day'. In the same way that knights of old would perform feats of valour to convince a maid to give him a hankly or perhaps even the key to her chastity thong, Sir Gadabouts of the 80s would woo women by creating a smorgasbord of seductive sounds, carefully curated to create just the right aural atmosphere arranged into a playlist guaranteed to get her to play. That, of course, all went out of the window with MP3, leaving the current-day cockslinger with one less method of getting their leg-over. Until now…

This is the USB Mix Tape, a classic tape cassette-lookalike that actually harbours a 1GB memory stick – enough space for a whopping 900 minutes of MP3 moisture-making musical mixage. And if she's not hanging on to your hard on at the end of that, well, perhaps you should have omitted those tracks by Rapeman, Fudge Tunnel and Wipe The Blood Off With Her Teddy Bear and stuck to Lionel Richie.

Twelve South Compass 2 £35

According to the press everyone in the world is still royally fucked when it comes to finances, more Food Banks open each day – and even David Cameron has had to cut back on stuffed swan of a Sunday. However, despite this lack of cash, ever more people can be seen publicly spunking away what little they have left in public glass boxes called iStores. The object of their bollock-bank emptying is the iPad, Steve Jobs' last joke on the gadget-gullible that lets punters spend hundreds to look at videos of cats, pick public fights on social media and crush candy.

However, it's not all convenience – because you have to hold it in at least one hand, what do you do with it when you need the use of both mitts? Prop it against something and hope is doesn't iFall and iSmash? No, you pop it on the Compass 2. Pens that just do ink on stuff are so old hat that they're barely a hat at all and more just like a rabbit corpse some Neanderthal has draped across his head in order to impress a particularly fetching ape. Today, a pen has do more than just let you etch a cock onto a fag packet, it has to digitally assimilate that cock and store it in a digital memory so that you can recall it on a computer screen later – and that is the reality of the Livescribe 3 Smartpen!

A touch chunkier than the average BIC, all you need is the pen, the accompanying smart paper pad and Evernote on your computer and/or smartphone, from that point on whatever you write or draw is automatically stored in its pen-brain and can be transferred over Wi-Fi directly to your gadget of choice, ready to be tweaked, edited, updated, saved and emailed free from hassle or, indeed, additional effort.

And it's a little pricier than the average BIC too, but then the only ink-based transfer the average BIC can offer you is ink-to-shirt as it leaks everywhere, so step into the 21st century, bucko, and get down with the digital. Or something.

Humax YouView DTR-T1010 £300

There's a lot of TV out there these days. And most of it is utter inane arse-dribble that's about as watchable as Channel 5. But what little is worth watching tends to be on when you're too busy with work or having to dispose of a body or having to dispose of a body for work. At this point you need to fall back on an epic empty wasteland of reliable digital storage to record and keep those few precious things you might want to point your eyes at. Sky box? I said 'reliable'! No, you need the Humax YouView DTR-T1010, a free-to-air digital recorder that's more capacious than a sperm whale's scrotum.

Packing some 2TB of space and offering over 70 additional TV and radio channels, the DTR-T1010 can hold a whopping 1200 hours of TV in standard definition and up to 500 hours in HD, all easily accessible and programmable via the built-in electronic programme guide.

And, if caught out and about messing around with quick lime when you remember you forgot to set it to record, say, America's Most Brutal Killers, a handy YouView app for iOS and Android means you can sort it remotely! Just remember: saved viewing habits are admissible in court.

Denon DHT-S514 £400

Still relying on your tiny, tinny, built-in speakers to deliver the audio from your TV to your ears in an acceptable manner? What? What? Sorry, what? Yeah, you may as well be deaf! Flatscreen TV speakers are amongst the most ineffectual things in AV and are created by people who despise you. That's why you need to up your audio game and go external with a natty soundbar, a natty soundbar such as Denon's latest aural pleaser, the DHT-S514.

A soundbar and separate subwoofer combo that delivers dynamic dual channel 2-way noise, the Denon can take charge of the feeble output of your TV (and, indeed, many other audio appliances courtesy of aptX Bluetooth connectivity, optical, coax and analogue inputs) and enhance it no-end, with Virtual Surround technology simulating multi-channel sound for movies.

Cool, certainly. Pricey, undoubtedly. But if you value what goes in your head-holes and don't have the space for a full-on Stonehenge 5.1 system, it's worth spunking that bit extra.

Continued from page 05

I thanked him for fixing my computer, got my things together and quickly left.

A week later, I bumped into Greg again in the pub and his face reddened when he saw me. I didn't really have anything I wanted to say to him and was about to leave when he thrust something into my hand. It was a shiny CD.

Greg shrugged. "Least I can do, mate," he said, and with that he left the pub. I looked at the disc and suddenly it dawned on me – Karen, Greg's long-term girlfriend. She was 28 and the type of woman everyone fancied: petite, with long legs, a heart-shaped face and beautiful blonde hair that ran down her back.

I hurried back home, fired up the laptop and slid in the disc. I was absolutely stunned when I realised Greg hadn't given me a disc of photographs at all. This was a DVD! A Greg and Karen homemade porn flick!

My stomach did a somersault. It had, of course, occurred to me that Karen might not want anyone else but Greg watching her sexual antics, but I couldn't help myself. It was just like Greg when he'd had to look at my wife's pictures; I couldn't look away.

I groaned and immediately began touching myself as the action began. Karen was sat on her sofa in nothing but a pair of white panties. She pulled and tweaked her long, pink nipples, smiling at the camera, licking her lips seductively as her nipples stiffened. She licked her own tits gently and slowly, murmuring softly, and then the camera panned down, following Karen's right hand as it settled on her crotch. She trailed a long, red fingernail along her hidden slit and then teasingly slipped a couple of fingers behind the material. She moaned and told me how wet she was, how much her pussy was aching for something big to fill it. By now, my cock was rock hard and in my hand. I was wet too, and I flicked my finger back and forth over the tip. It was a fantastic sensation and I kept imagining it was Karen's finger instead of my own.

Suddenly, the action changed. My heart skipped a beat because Karen was holding a large white vibrator. She was fully naked now and she settled back as the camera panned out. Moaning loudly, she began to ease the ten inch length into her horny fuck hole. Her pussy was shaved completely and the lips were small and pink. I admired it as I wanked myself off, listening to her groans as those little lips eagerly swallowed the fat, fake, plastic cock. She breathed heavily a couple of times and then settled back into a decent rhythm, shagging herself harder and faster with the vibrator, her cunt making a sexy wet shucking sound.

Greg, who was obviously working the camera, kept zooming in for close up shots of her gorgeous snatch, the sticky love juice all too evident now, dribbling onto her creamy thighs, making me long to lap it all up. Karen then stopped fucking herself with the dildo and beckoned Greg over. The camera wobbled but he kept it focused as Karen got down on her knees and unzipped his jeans. A truly massive cock sprung out, at least nine inches of thick meat, and Karen licked her lips in anticipation of it. With the filthiest, most wicked glint I've ever seen in a woman's eyes, she began to lick up and down the long shaft, making pleasurable little noises as she did so, which was an amazing turn-on.

She began to lick and suck the end, and now it was Greg's turn to moan with pleasure. Karen took as much as she could of him in her mouth and really relished sucking him off, spitting on his cock, groaning, licking it as fast as she could and then stopping to wank it really hard. I don't know how Greg stopped himself from coming because I was almost ready to blow my own trumpet all over the laptop's flimsy screen!

Thank goodness I didn't, because then the action changed once again. This time, Karen was on all fours with her literally dripping snatch on perfect display and her tight little arse poking up into the air, waiting to be serviced. The camera moved and Greg was suddenly behind her. A close up now of her puckered little bottom hole, glistening, and I knew it had been well lubed. Thank fuck for that, I thought, because I knew that Greg's massive cock was about to slide up it.

Karen gasped loudly and shouted, both in pleasure and in pain, as Greg eased his meat into her arsehole. It took him some time, and there was no way Karen could take his entire length, but he had a good portion of his dick inside as he slowly and gently began to move back and forth. Karen's tight cheeks looked fantastic with so much cock between them. Then he banged her hard and fast, really fast, until he had to pull out and shoot his jizz all over her bum cheeks. Then Karen appeared in front of the camera and said, "Have you come yet, Jack? Why don't you come on my face?"

And that's exactly what I was imaging doing as I shot mine!

Brian, Lincoln.

"SHE PULLED AND TWEAKED HER LONG PINK NIPPLES, SMILING AT THE CAMERA..."

THE PERFECT PUNTER!

Dear *Mayfair*,

My usual Paul Raymond title of choice has always been *Men Only*. However, having seen Emma Butt in the advert for *Mayfair* you feature in that title I just had to purchase a copy of *MO*'s sister title to check out those fantastic boobs. Naturally I was not disappointed, as both her boobs and her arse are a wonder to behold! This purchase was further validated by the appearance of two of my other favourite models from *MO*, namely Nina and Conny (who always looks like something out of *Downton Abbey* to me). On top of that, another girl who floated my boat was small-breasted Sarah, posing with a mirror in a similar style to the wonderful Louise Banks back in *MO* 75/11.

With another favourite of mine slated for the next *Mayfair* in Jenny Laird, I feel another double purchase coming on next month. Thanks for two great mags!

Ian, via email.

Cheers Ian – we do our best to make sure the two titles compliment each other without treading on each other's toes too much, but girls as pretty as Conny, Nina and Jenny definitely deserve an airing in both from time to time! Glad you liked Emma's boobs, too – they really are quite something, aren't they? – The Ed.

Hello hello – what's this? That's right – only another brand new British babe making her *Mayfair* debut, that's what! Vicky here hails from Cambridgeshire, and although this is her first ever shoot for us, it turns out she's been modelling on and off for a couple of years now…

"Yes, I got into it when I was a student – a couple of my friends were doing photography courses, and they were on the look-out for someone to do some artistic poses for them. I'd never really imagined myself doing anything like that, but when the shoot was all finished and I looked at the pictures they'd taken, I was hooked! Since then I've worked with plenty of photographers and I love the way they each bring their own ideas to the studio!"

Hmm, well good for you – and we might add that these pictures have certainly given us a few ideas of our own as well!

GENTLEMEN, That Reminds Me

Well this is the best we could muster, but if you think you can do any better, email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

A man in Amsterdam feels the need to confess, so he goes to his priest.

"Forgive me, Father, for I have sinned," says he. "During WWII, I hid a refugee in my attic."

"Well," says the priest, "that's not a sin."

"Ah, but I made him agree to pay me 20 guilders for every week he stayed."

"Well at least you did it for a good cause."

"Thank you, Father. That eases my mind! I have one more question."

"Yes, what's that, my son?"

"Do I have to tell him the war is over?"

An American city girl is driving back to town after attending a family funeral in the Deep South when she runs out of petrol. It's getting late so she asks two good ole boys sitting on the stoop of a mobile home where she can get some gas.

"Well," drawls one, "the fillin' station ain't open till tomorrie, but I reckon you kin stay the night with me and Billy-Bob here."

She accepts, only to be told there is just the one bed, which both Billy-Bob and Billy-Ray share. Thinking it might be fun, she went ahead anyway. When all three of them are tucked up and the boys are ready to jump her, she suddenly halts proceedings.

Producing two condoms, she says, "You nice boys wouldn't want me to get pregnant, would you? Here, put these on."

So they do. The three of them proceeded to have the time of their lives. In the morning the car got a full tank and the girl waved goodbye and went back to the city.

Three months later, Billy-Bob and Billy-Ray are sitting on the stoop, chewin' on some tobacco.

Billy-Ray says: "D'ya remember that city girl who stopped here a while back?"

"Ah sure do," says Billy-Bob with a smirk.

"Do we really care if she gets pregnant?"

"Nah," says Billy-Bob.

"Well then, lets take these stoopid darn things off our dicks!"

At the nursing home, old George and Edna have struck up a romantic relationship. Since both of them are in their eighties, their physical intimacy is rather limited. However, every evening as they sit together on the sofa, Edna unzips George, slowly drags out his penis and holds it in her hand for twenty minutes. For a while this satisfies the two old folks adequately.

Then one day, George tells Edna it's all off. He is leaving her for Mabel – one of the other old dears at the nursing home. Naturally, Edna is a trifle miffed.

"Heavens!" she asks. "What's she got that I haven't?!"

George says: ''Parkinson's."

A young punk gets onto a long distance bus. He's got spiked, multi-coloured hair that's green, purple, and orange. His clothes are a tattered mix of leather rags. His legs are bare and he's wearing worn-out shoes. His entire face and body are riddled with pierced jewellery and his earrings are big, bright feathers.

He sits down in the only vacant seat, which happens to be directly across the aisle from an old man – who proceeds to glare at him for the next ten miles.

Finally, the punk gets self-conscious and barks at the old guy: "Hey! What are you looking at, you old fart... didn't you ever do anything wild when you were young?"

The old man replies, "Yeah, back when I was young and in the Navy, I got really drunk one night in Singapore and fucked a parrot... I just thought maybe you were my son."

Two cannibals, a father and son, are elected by the tribe to go out and find someone to eat. They walk deep into the jungle and wait patiently in the undergrowth by a path.

Before long, a little old man limps by. The son says, "Look, Father, there's one!"

"No, my son," booms the father. "There's not enough meat on that one to feed the dogs. We'll just wait."

Then along comes a very large man. The son says, "He's meaty enough."

"No," the father said. "We'd all die of a heart attack from the fat on that one. Wait a bit longer."

An hour later, an absolutely gorgeous woman approaches. The son says, "Now there's nothing wrong with that one, Dad. Let's eat her!"

"No, my son!" booms the father. "We will not eat her…"

"Why not, my Father?" asks the son. "She's not too skinny, not too fat. She's perfect!"

"That's right," the father replies.

"We're going to take her back alive and eat your mother."

In an Irish pub, Patrick O'Malley hoists his beer and says: "Here's to spending the rest of me life between the legs of me wife!" – and he takes home the top prize for the best toast of the evening.

In bed that night, he tells his wife: "Mary, I won the prize for the best toast of the evening."

She says, "Good on ye, Paddy, and what was your toast?"

He tells her: "Here's to spending the rest of me life sitting in church beside me wife."

"Oh," she says, "sure that's awful nice."

The next day, Mary runs into one of Paddy's drinking buddies. Mischievously, the man asks: "Did you hear about your husband winning a prize in the pub for a toast about you, Mary?"

She says: "Aye – and I was a fair bit surprised. Till now he's only been down there twice. First time he fell asleep, and the other time I had to pull him by the ears to make him come".

LOVELY PIECE OF MERC...

Looking for a motor that's as gorgeous as it is powerful? Got £100K burning a hole in your pocket as well? Then we reckon we've got the answer...

If you can afford it, the new Mercedes S-Class is one of the finest new cars money can buy. As *Mayfair* revealed back in issue 48.08, not much else on the road can match this saloon's blend of luxury, quality, technology and sheer desirability. But attractive it's not.

The designers were always going to get the dirty end of the stick once the engineers had squeezed everything else into the enormous, 5,116mm -long four-door express – although Mercedes has taken pity on them by letting them loose on the new S-Class Coupé. This stunning two-door replaces the CL in the range, and infuses everything Mercedes knows about luxury saloons and coupés into one glamorous package.

That's not to say the Coupé is a tiddler – it's still over five metres long and nearly two metres wide. But the carefully sculpted flanks mean those proportions are hidden much more effectively than on the saloon. Plus, the lower roofline and wider wheelarches hint at the greater sporting intent of this new car.

Neat details carried over from previous Mercedes coupés include the frameless doors and the chrome frame that surrounds the glass areas, so that they're not broken up by unsightly B-pillars. The muscular feel of the bulging rear wheelarches tapers into the rear end, with its broad shoulders and distinctive lines. It's bold and characterful, and defined by wide, purposeful twin exhausts and striking LED tail-lamps in two horizontal rows.

It's the headlamps that make the biggest impact, though. As with the saloon, they're LED lights, but they can be upgraded to include crystals. That's right, crystals. Up to 47 of Swarovski's finest can be added to the front end – 17 angular crystals to form the flare-shaped daytime running lamps, and a further 30 making up the indicator lamps.

There are no crystals inside, although owners can increase the amount of light being allowed into the sumptuous interior by specifying a massive optional panoramic glass roof. And this carries over the Magic Sky Roof technology from the latest SLK, so the glass can be switched from transparent to opaque at the touch of a button.

> "THIS CAR ISN'T JUST AWASH WITH CLEVER SPEC, IT'S ALSO COMFORTABLE AND LUXURIOUS..."

Yet there's so much going on inside the S-Class Coupé that your passengers won't be staring aimlessly at the sky above. The two massive widescreen displays – one for the speedo and driver info, the other for the sat-nav – stretch seamlessly across the dashboard, as in the saloon, to provide a wealth of information. And all the functions and settings can be controlled using smartphone-style finger gestures if you specify the optional touchpad, which sits in front of the centre armrest. You can even 'write' addresses and postcodes to instruct the sat-nav.

Plus, the new head-up display system – another option on the S-Class Coupé – means sat-nav directions and other key information such as speed and speed limit are projected into the driver's line of sight, so they don't even have to take their eyes off the road.

But this car isn't just awash with clever tech; it's also as comfortable and luxurious as you'd expect. Wherever you're sitting in the four-seater interior, the seats offer a sportier feel than those in the saloon, but

they still pamper and support, while all the materials have a premium feel. Familiar Mercedes coupé details include electric seatbelt feeders, which allow the belt to be stowed away in the rear side panelling for a cleaner design.

Under the S-Class Coupé's beautiful skin lies a 4.6-litre V8. This is the only engine available at launch, in the S500, and will be familiar to owners of the saloon. A diesel is likely to follow, as are V8 and V12-engined AMG models, but for now, the twin-turbo, with its 449bhp and 700Nm of torque, should be more than enough for most buyers. It promises breathtaking performance, firing the two-tonne-plus Coupé from 0-62mph in around five seconds and on to a limited 155mph top speed. And flaps in the exhaust adjust with the drive mode selected to give a fruitier, more powerful soundtrack, if desired.

But more important for buyers in this market will be the impeccable refinement this car promises – and the clever Magic Body Control system that debuted on the S-Class saloon has a big role to play here. It scans the road ahead, spotting upcoming corners or lumps and bumps in the surface and setting up the suspension in advance to deal with them accordingly. This system was a revelation in the saloon, and it's set to be even better in the Coupé, as Mercedes has added a clever new Curve Tilting function. This works with the Active Body Control system – which equips each suspension strut with hydraulic cylinders – to shift the base point of each strut as the car approaches a corner, so it leans into turns like a biker.

This will only add to the sense of involvement – and as the four-door S-Class has already impressed with its impeccable handling balance for something so big, the Coupé is sure to set new standards for driving enjoyment in this market. So don't place that order for a new Bentley Continental GT until you've wrapped your hands around the S-Class Coupé's gorgeous steering wheel, with its galvanized spokes, and sat in the sumptuous driver's seat… This could be one of the best Mercedes drivers' cars in years.

“IT PROMISES BREATHTAKING PERFORMANCE, FIRING THE TWO-TONNE-PLUS COUPÉ FROM 0-62MH IN AROUND FIVE SECONDS...”

Mmm, it's always nice to catch up with Miss Jenny Laird whenever we get the chance, but she can be quite a tricky girl to track down…

"Well, I guess I am – I'm young, free and single, so why not make the most of things and see a bit of the world while I can, before I have to worry about keeping a hubby and some kids fed and happy?"

True enough, although to be honest, we reckon you're perfectly qualified to keep a hubby more than happy without having to worry about feeding him as well. If he gets a bit peckish, he could always feast on that juicy pink snatch of yours, after all?

"Oh, I rather like the sound of that. I'm not really that into cooking anyway, so that sounds like a pretty good arrangement to me!"

Right – any volunteers out there?

SEE MY HARDER PICS
www.mayfairmag.com

Stupendously boobed British babe Brookie comes, in case you couldn't guess, from that most appropriate of cities – Bristol. So is there something in the water down there that results in the girlfolk developing particularly magnificent tittles, or is it just our imagination?

Really?! Hmm, perhaps it's time we got on the M4 and popped down there for a weekend break. Purely for cultural purposes, you understand…

URE DE LA FIN DES
HUI BIEN

Audrey isn't really the sort of name you'd associate with one of the toppermost adult models in the world, but then Audrey Bitoni here's not really your run-of-the-mill sort of girl to begin with! Apart from anything else, she boasts a rather interesting gene pool that includes German, Spanish and Italian ancestry. So does she feel she's inherited anything from her forebears, we wondered…?

"Oh, I guess I kind of have!" she gushes. "I'm definitely very passionate, which probably comes from my Italian and Spanish roots, but I'm also pretty hard working, which has got to be German, right?"

Maybe so. And let's face it, while nations that can combine to produce something as stupendously sexy as Audrey have got to have plenty of good things going for them, we can't help wishing she had a bit of British in her as well. Erm, so any chance, love…?

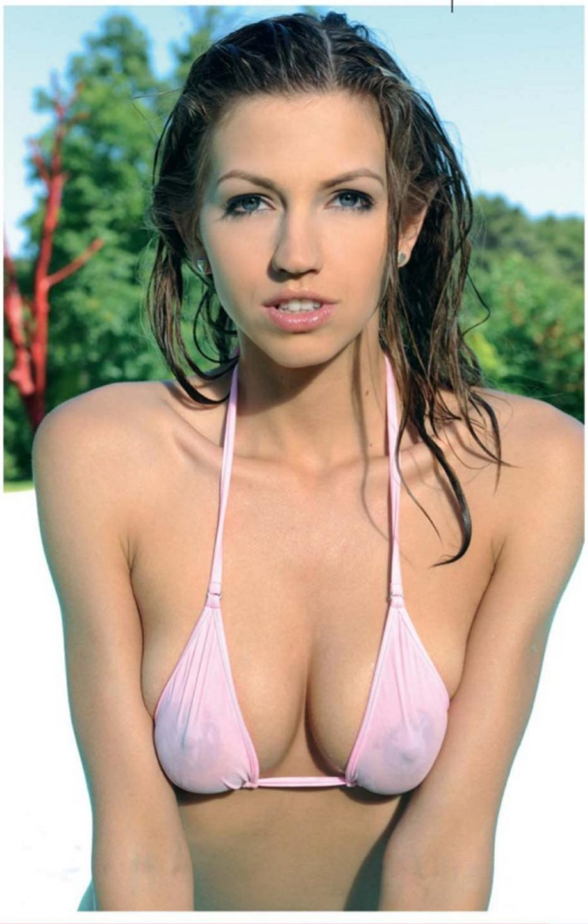
QUEST…

It's that time of year for the sap to start rising - not to mention the cocks that are around when these horny girls retell their adventures…

It was a fine day, a little bit windy perhaps, but the sun was out and for the early days of Spring it was relatively warm. I love this time of year, and when my longtime boyfriend Mark suggested that we go out of town and bring a picnic with us I rushed to the little grocery down the road and came away with a bottle of white wine, some crackers, cheese, a punnet of strawberries, and some whipped cream.

Mark and I had never had outdoor sex before, and the only reservation I had was being surprised by some busybody who might hear us if we got a bit too noisy. However, we had planned this picnic for some time and here we were sitting on our new picnic-blanket soaking in the sun, and I was damned if anyone was going to spoil our fun. Mark ran his hand up my thigh and my skin began to tingle as his other hand slowly moved down the valley between my double D breasts.

Name: KITTIE
Age: 31
From: NOTTINGHAM



I rested back against him and he pulled the wine bottle out of the bucket and rubbed it against my right breast, encircling my nipples, making the wet contour of each teat clearly defined through the thin fabric of my cotton blouse. I gasped at the feel of the cold bottle against my pert nipples while Mark slowly unbuttoned my blouse and removed my bra.

Inflamed by his ardour I pushed him unto the blanket, then reached across his body for the carton of whipped cream and a strawberry.

Pulling the cap off the cream I laid it in my lap, and slid the strawberry between my lips, sucking on it. The berry juice coated my lips as I bit it and swallowed it, licking my lips before taking another and putting a dollop on the tip of the strawberry. Drawing the strawberry across my tits I encircled both the areola with the cream frosted strawberry.

He groaned and stripped off his jeans, wriggling them down his legs as he struggled to kick off his boots and tear off his boxers. My hand reached for his shaft, brushing along the length of his rigid member. I stroked it slowly, tilting the bottle over my tits, and let the liquid flow, creating a river of wine between my breasts.

Salivating, Mark pulled me closer and began lapping the wine from my creamy white tits. His tongue curled around my nipples, exciting me so much that I felt my pussy clench as he drank the chilled liquid from my teats.

Now I felt his big cock prodding against my thigh and his pre-come seeping from his engorged cock-head.

His hands reached up to cup each of my breasts, and he continued licking and drinking the wine as it flowed over my body and down between my legs. The blanket was soon sodden, and I stopped pouring and took a swallow of the glorious chilled wine.

Mark flipped up my skirt and followed the wine which had run between my thighs. His hands spread my legs wider as he dipped his tongue deep inside my clenching slot. Tongue-fucking the moist heat of my pussy, Mark brought me close to the edge, then reached up for my nipples, and, tweaking them gently as he slobbered on my slit, he sent my pussy into convulsions as I came off hard.

Releasing my nipples he again cupped my breasts and began wanking his cock with my tits. Sawing his thick shaft between my soft mounds, he drew it back and forth, tit-fucking me for all he was worth. The sun shone on our bare flesh keeping us warm and any worries of being disturbed by others disappeared from my head as by now I couldn't give a monkeys if the whole world was watching.

My pussy ached, but outdoor sex made me feel extra naughty, and I wanted to allow my hedonistic side full rein. I started caressing his dick, gently gliding my finger up and down his hard length, and asked him to get the tube of KY Jelly from the picnic basket. Mark whistled as though hardly able to believe his luck.

I lay on my side, lifting a leg and relaxing as he lubricated my pussy, arse and his cock. Coating his finger with the lube, he slowly inserted it into my anus. The muscles in my bumhole grasped around his finger at first but as he moved it in and out slowly I began to relax and enjoy the sensation. It wasn't long before he added another finger. As I groaned he began moving his fingers faster and harder inside me until I was ready for cock.

> "I FELT HIS BIG COCK PRESSING AGAINST MY THIGH AND HIS PRE-COME SEEPING…"

As I knelt in the doggy position Mark moved behind me, his hands caressing my round,

firm arse-cheeks. Asking me to "hold them open", he inched his dick slowly inside my back-passage, making me squirm a little initially, but each time he felt my discomfort he eased up the pace.

Slowly he began to move his cock around inside me, circling it around and rocking it back and forth until I grew accustomed to him. It really was the most pleasurable sensation and I was so glad we had decided to finally give it a go. I was gasping with excitement as Mark started to massage my clit, then slid a finger inside my pussy. The combination of being stimulated in both my pleasure holes brought me to a shuddering climax, and I came fast and loudly.

My pussy was pulsing convulsively, my clit hard and throbbing, and my nipples were super sensitive as Mark begun to slam his cock into my arsehole ever faster, building up intensity as I moved in time to his thrusts. Then he held my hips tight, paused and slammed back extra-hard inside me, his fingers tweaking my clit as he spunked inside my anal cavity.

"I TENTATIVELY STROKED HER, GAINING CONFIDENCE AS HER NIPPLES HARDENED INTO LITTLE BULLETS UNDER MY HANDS..."

I love spring! I love the feeling of the world awakening from winter, the flowers and the cool sunshine. It's also about this time that I have the sudden urge to get fit. I know with most people it's earlier in the year, but in January I'm always feeling too blue that the summer's still an age away. But by springtime, I've 'comforted' myself so much that I realise I need to get down the gym if my porky legs are to see daylight this summer. Every year brings a new fad, too. Last year it was spinning, the year before yoga – there aren't many new exercise trends I'm not familiar with! I was discussing what I should do this year with the girls at work, when Chloe, a new girl that I didn't know too well, suggested I join her for a game of squash one night after work. I agreed, despite never having played squash before. Always one to make friends, I looked at this as an opportunity to get to know someone new, as well as getting fit. Plus, judging by the look of Chloe's svelte figure, it obviously did the trick! We arranged to meet after work the following Tuesday for a game.

Name: TINA
Age: 26
From: BRISTOL

I had already admitted I'd never been into racquet sports, and Chloe only had to take one look at me attempting to serve to realise this. She giggled and took the piss for a bit, before coming over to me.

"No, not like that! Here, let me..." she grabbed my hand that held my racquet, and repositioned it, "More like this. See? Now, just..."

And with that she was behind me, her hand gripping the racquet over mine, her body pressing gently into me, while she showed me the correct stance. Having never been attracted to women, I was surprised to feel a little tingle in my clit as she swung my arm back in a serving motion, but shook it off, surprised at myself.

After what can only be described as a hilarious attempt at my first game of squash, we'd built up quite a sweat. Well, I had, anyway, I'm not so sure about Chloe! Our session over, we made our way to the changing room to hit the showers. Not forgetting my earlier tingle, I was slightly hesitant at first and held back a bit – especially when I saw Chloe peel off her little pleated skirt and tight, white top, which made my pussy twitch once more. Again, I shook it off – I had never been into girls, what was wrong with me?

I stripped out of my sweaty gear and wrapped myself in my towel, feeling a bit self-conscious. When I appeared round the corner of the shared showers, and dropped my towel to the side, I felt Chloe checking me out through the steam. I smiled at her nervously, glancing at her pert boobs, partially covered in soap. As I began lathering myself up with shower gel, I didn't have to touch myself to know that my pussy was sopping – my clit had started throbbing the second I'd caught sight of Chloe's naked bod. There was a air of expectation between us, and I started to wonder if anything was going to occur.

Then, quite suddenly, she kissed me. As her tongue explored my mouth, it felt like I was melting against her, and I kissed her back passionately. I could barely catch my breath as she reached for my breast, kissing my neck. She pressed me up against the wall, the water spraying over us, and her hips ground against mine as she rolled my nipple between her fingers. I tentatively stroked her, gaining confidence as her nipples hardened into little bullets under my hands, and her breathing became heavier.

"AS CHLOE FINGER-FUCKED MY ACHING HOLE, I FELT THE FAMILIAR TWITCHING OF ORGASM..."

Stroking my bum, her fingers moved closer and closer to my crack until the tip of one brushed my arsehole. I jumped a little and she snaked her hand round to my soaking fanny. I let out an involuntary groan as she began rubbing my clit. I parted my legs slightly, and felt one slim finger slip gently between my lips and inside me, followed by another. As they began to pump in and out of me, I felt myself losing control. My breath coming in short, sharp gasps as Chloe finger-fucked my aching hole, I felt the familiar twitching of orgasm approaching. Chloe obviously recognised the signs too, because she pulled her fingers from my snatch and sucked them, offering them to me so I could taste my own juices. This was more than I could take, and I reached between her legs to feel her moistness. She threw her head back, groaning and quivering with delight as I massaged away.

Suddenly, Chloe pulled my hand from her crotch and dropped to her knees. Parting my legs, she reached her face up to kiss my pubic mound and whispered, "I want to taste you." As she said this I could feel her hot breath on my clit, and when she plunged her tongue into my drenched twat, I felt my entire body shudder. As she French-kissed my hole, making loud slurping noises, I felt an intense orgasm rip through me. Shuddering, I grabbed the back of Chloe's head, as she greedily lapped up my juices. I couldn't believe how quickly and easily she had made me orgasm.

I'd never wanted to taste pussy as much as I did right now! Kissing down her gorgeous body, she writhed and groaned, and when I got to her shaven muff, I stopped just long enough to admire it, before she splayed her legs and I instinctively ran my tongue around her labia. In no mood to be teased, Chloe grabbed the back of my head and pushed my open mouth down onto her, my tongue disappearing inside her velvety wetness. She tasted divine, and soon I was fucking her with my tongue, relishing the musky juices as they ran down my throat. I pushed a finger inside, feeling her muscles twitch around it, my tongue flicking her puffy clit as her hips rocked to meet my finger thrusts. Grinding against my hand, I slipped another finger into her and sucked her labia lips, making a smacking sound. This seemed to be too much and, moaning loudly, Chloe began to come; her pussy muscles contracting around my digits, her grinding becoming a more frenzied bucking, the juices flooding out and running down to soak my lips.

Chloe and I meet to play squash every Tuesday after work, now, and I'm slowly getting better. Chloe's a great teacher – although she says my tongue skills have way overtaken my racquet skills!

* * *

The first time I saw Frank was when I'd just finished a run. I was too tired to do anything except watch but I remember admiring the way his broad shoulders sloped down towards his heavily-muscled arms and gasping as he dropped and did twenty five press-ups next to his car before heading off along the forest trail I'd just come back on. I couldn't help but wonder what it would be like to be under that body as it pistoned up and down for an entirely different reason. "Stop it, Abby!" I scolded myself. "You've got a one track mind!" Turns out, so did Frank.

I'd pushed a little too hard and given myself a stitch while charging up a steep section of my route. I was still blowing out harsh curses with my fists balled on my sides when Frank cruised to a halt beside me. There was a laboured pause as we looked at each with the unease of two people who have seen each other from a distance and run in a group together but have never actually spoken to each other. My body wanted nothing more than for me to fold in half and put my hands on my knees, although whether that was to ease the pain in my belly or offer my pussy to the bulge in Frank's running shorts wasn't clear. It was a really big bulge. "Are you OK?" he asked.

"Just a stitch," I said, clutching at the stubborn pain in my side while unashamedly thinking about clutching something else. I pulled my running top up and smiled as his eyes dropped to take in the flat expanse of my belly. I started walking with an exaggerated hobble. Frank stepped against me and wrapped his arm around my waist, just as I had hoped he would. I let out a small mewl of pleasure, which Frank took for pain.

Name: ABBY
Age: 23
From: WORTHING

"You really are in a bad way," he said.

"It's these light evenings. I just gave in to temptation and went a little bit further than I should, and a little bit harder." I closed my eyes to breathe in his scent, hoping that he would pick up on my hints as I as I looped my arm across his back. We were hip to hip as I limped back towards the car park, just not the hip to hip I wanted.

The sun was on the horizon as we got back to the cars. We both knew it was too late for Frank to start his run but I had another exercise routine that I wanted to try out with him, one that was only possible since there were no other cars parked near mine. "Before you go, can you help me with my laces?" I asked, playing the damsel in distress as I perched on the sill of my car's boot. Frank knelt down and as he did so, I pulled my jersey off over my head. Frank looked up to find me topless. The bright sunlight provided wonderful illumination as I exposed my toned torso and tits. “You’re not scared of seeing me naked, are you?” I asked, sliding my running shorts down my legs. I was naked in the presence of a man I truly fancied and loving the power of it.

“I’m not scared, darling,” he replied, standing up in a tangle of limbs.

“What about if I do this?” I asked, gripping the obvious lump of his cock with both hands.

“I thought you were injured?” he asked.

“I’ve always been a fast healer,” I said with a grin, noting that he’d done nothing to escape my clutching fingers. “But I wouldn’t say no to a quick massage.” I pulled him in, using my heels on the small of his back and pulling the cords on his running shorts.

> MY HAND WAS WRAPPED AROUND FRANK’S COCK AND IT WAS EAGER, EVEN IF HE WASN’T.

“Someone might see,” he protested, as his shorts loosened.

“I promise I won’t look,” I giggled. “Besides, they’ll probably be too busy looking at the naked girl in front of you.” It was a reminder which forced Frank to look down. It made my body tingle as he examined my face, tits and pussy.

“You’re really fast,” he said, looking between my legs.

“Think you can keep up?” I asked, as I pulled the front of Frank’s shorts down. His cock was an eager curve of solid flesh. Frank groaned as I ran my fingertip along its length, starting from the crinkled skin of his scrotum and ending on the sensitive underside of his crown. I smiled as the cock jumped up away from my finger.

“We barely know each other,” Frank protested.

“That’s what makes this so much fun,” I reasoned. My hand was wrapped around Frank’s cock and it was eager, even if he wasn’t. I stroked it with a hard, regular rhythm, dragging the foreskin down a little more each time until the pink and purple bell end was fully exposed. “Tell me you don’t want me to suck your cock?” I challenged. Frank mumbled something under his breath. “Then stop being such a wuss,” I teased, as I leant forward far enough to take the tip into my mouth. I curled my back a little more and he made a noise low in his throat as his cock slipped into my mouth. I kept it buried for a few seconds before retreating far enough to let it drop free.

“I’m thinking how gorgeous it would feel to have your hands on my hips as you stand behind me and slide your cock into me.” I wrapped my hand around his cock and wanked it as I looked up into his eyes. “You’d be gentle at first, using slow, shallow strokes but I’d soon be begging to be pummelled.”

“Pummelled?” Frank’s hot, swollen cock was an ideal tool for pummelling. I nodded before turning round in the boot of the car to present my arse.

Frank whistled his appreciation through his teeth. “You’ve got a great arse,” he added, as he rubbed his cock around the entrance to my pussy. I gasped as he eased just the head inside me, and sighed as an inch of shaft followed.

He soon groaned loudly, sounding dangerously close to losing control. My fingertips became a blur of intensity as all my planning flew out of the window. I now had only one objective – to come before Frank shot his load. In my fantasy, he’d fucked me long into the night, which was probably unfair given the way I’d jumped him. I couldn’t help but push back as I got close. Frank’s belly touched my buttocks and delicious tightness emanated from my arsehole. It was mesmerising to have both my holes throbbing simultaneously and I cried out in shock as that tightness and throbbing spilled over into an intense orgasm. As my breath came in heavy, shaky pants, each one was punctuated by a little more pressure on my back as Frank’s weight collapsed onto me as he pumped his spunk into me.

“You look as though you’ve had a good work-out,” I said, noting Frank’s sweat marks as I pulled my clothes on.

“Funnily enough, I was looking to add a little something to my Spring routine.”

“Me too.” The pain from my stitch had long gone and I fairly sprang into the driver’s seat. I had a feeling it was going to be an exceptionally hot Spring.

A little of something for everyone this time round, from baby-nabbing nuns to Gallic lesbiage and a goodly bit of bio-modification as well. Oh, and some nice muff shots for anyone who likes that sort of thing...

PHILOMENA

2013 was something of an *annus mirabilis* for Steve Coogan, what with him starring in no fewer than three motion pictures after a big screen career that had hitherto been rather faltering. Of course there was his turn as our very own Paul Raymond to kick things off, followed by the feature length Alan Partridge outing in the summer, but (vested interested and cameo appearances aside) it was probably this, the last of the trilogy, that turned out to be the most satisfying flick.

This time out he plays Martin Sixsmith (real life ex-BBC journo and political advisor – not to mention author of the book upon which the film is based), who starts the film pondering his next move when he's approached by the daughter of Philomena Lee (Judi Dench) and asked if he'd like to write about her mother's story – specifically the bit in which she was forced by the Catholic church of the early 1950s to give up her (illegitimate) baby boy. Cue an affecting double act as Coogan's Sixsmith and Dench's unworldly Philomena team up and set about investigating what might have happened to the little boy who was taken away half a decade earlier. As you might expect, the Catholic Church in Ireland doesn't really come out if it all too well (nor should it), but this is much more than a misery memoir, and has quite rightly picked up quite a few awards and nominations at various film festivals around the world. A tear-jerking, heart-warming and justifiably indignant film that's easily one of the best British flicks of the last year.

Blue is the Warmest Colour

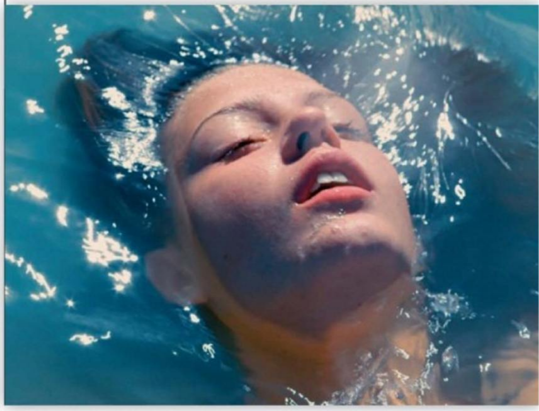
The 2013 Cannes jury headed by Steven Spielberg awarded it The *Palme d'Or*. Dedicating the award not only to the director, but also the two lead actresses and with seven minutes of fleshy abandon the big question is, does it live up to the hype?

La Vie d'Adèle, Chapitres 1 et 2 released here under the title *Blue is the Warmest Colour*, follows the sympathetic centre of the story Adele (Adele Exarchopoulos). Beginning when she's at school, her instantaneous lesbian attraction to 20-something art student Emma (Lea Seydoux) is compelling and forges an intensely emotional relationship.

The performances from Exarchopoulos and Seydoux rather overshadow the rest of the cast, who seem a bit listless in comparison. Nice touches, meanwhile, include Director Abdellatif Kechiche's analogical touches; Emma's blue hair when they first meet fades over the years as their relationship cools, allow this film flourish under the emotional rawness of its subject.

An ambitious ending highlights the illusionary nature of hoping to find something superior; there are no guarantees that Adele or Emma will ever experience better. With an electric fight scene this film isn't just a portrayal of young love but love in all it's destructive, sensual and heart wrenching glory.



THE MACHINE

It's not every week we get a brand new British sci-fi offering plop onto our desk, so we were rather intrigued by this one. It's set in the not too distant future, when badly injured squaddies are being patched up to produce mechanically enhanced warriors that'll give us a head start in an anticipated war against China. Not sure why they picked China, but there you go. Meanwhile top bio-boffin Vincent (Tony Stephens) also wants the technology to upload consciousness because his daughter's terminally ill. Cue comely assistant Ava (Caity Lotz), who ends up becoming far more closely embroiled in the programme than she'd anticipated. With more than a hint of *Bladerunner* about it, this is an intelligent enough offering, especially given the clearly rather tiny budget.

YONDERLAND

Readers with kids of a certain age will probably not need telling that one of the real highlights of children's TV of recent years has been *Horrible Histories*, with its zany collection of sketches and songs that help drill all the more grizzly parts of history into the noggins of the nation's offspring. Well now the team behind the programme have branched out and produced something even more off the wall in *Yonderland*, which aired on Sky recently but is now available to non-subscribers as well thanks to its DVD/Blu-ray release. It plays a wee bit like *Time Bandits*, with housewife Debbie (Martha Howe-Douglas) finding herself – via a portal in her cupboard – stumbling into a parallel universe in which all sorts of lunacy is going down and where she, it seems, is the 'chosen one'. Inspired fantasy fun that should please everyone aged 9 to about 90.

FRANKENSTEIN THE TRUE STORY

The true story? What, that Mary Shelley made the whole thing while trying to spook some of her chums somewhere near Lake Geneva? No, not that true, but while this all star offering from 1973 veers a little way from the original story, it doesn't take anywhere near as many liberties as some other adaptations. And what a cast it boasts, too – James Mason, David McCallum, Jane Seymour, Ralph Richardson and dear old Johnnie Gielgud… oh, and Wallis himself, Peter Sallis! As you might expect from the era, it looks rather like a Hammer horror, but there's nothing wrong with that, is there? And the monster himself is actually rather dashing.

CHEEKY

No, it's not a biopic based on the (bum-)touching tale of rags to riches of Lembit Opik's ex-squeeze (or her sister), this another classic slice of Tinto Brass erotica! He's long stood as something of a benchmark for the kind of erotic film that goes well beyond the traditional British sex comedy (both in rudeness and, it has to be said, in the quality of his film-making), and this one dates from as recently as 2000. Yuliya Mayarchuk stars as Carla, a girl stuck between romances in both London and Venice, which gives Brass the opportunity to showcase each city, as well as his leading lady's delightful assets. All in all a rather civilized way to while away 90 minutes or so…

MAYFAIR Movies

Thankfully for many a career, the success of a porno flick doesn't stand or fall on the strength of its plot. As long as the sploshers are tasty and game, and the camera and lighting are up to snuff, nobody's complaining. Just as well this month, too!

HOTEL EDEN

Viv Thomas

CAST: Demi, Whitney Conroy, Lorena Garcia.

Viv Thomas's latest release concerns three foreign girls on a European holiday. There's very little dialogue, which many might argue is no bad thing, and all other sounds seem somewhat muted… in fact, come to think of it, that aspect is more than a trifle eerie. Oh great: another puddle on the floor. I've gone and frightened myself again. Oh, hang on, maybe it's time to get my ears syringed again.

The other thing I should mention is that I think all three girls might be a bit "queer". You know… "lesbians". It's just a feeling I get, what with all the groping and licking and snogging they do, with nary a cock (bar mine) in sight. I shall give you some for-examples…

Brunettes Lorena and Demi are in a restaurant and they start getting touchy-feely under the table. At first I was shocked. What kind of film was this? It got more alarming when they moved to more private quarters and started stripping. Then they practically sucked each other's faces off and put their fingers up each other's no-no places and woo-woos. Well! I'm no prude but you could have knocked me down with a feather. It was all just downright unnatural. Not that I'm against same-sex marriage or anything. I just don't agree with it.

That Whitney: she's another one. You know: peculiar. She and Lorena end up in bed together when there's plenty of other beds available; they don't need to share nor nothing. Anyway, this Whitney's as bad if not worse than Demi. Her fingers are in and out of Demi like she's looking for her car keys or something in the pockets of a coat. Definitely not a film for UKIP voters, this one.

POLLY SUNSHINE
CUTE AND EXTREME RUSSIANS

He's Russian, he's extreme, and personally I think he's kind of cute, but alas this flick does not feature Vladimir Putin wrestling bears in his knickers. Instead a bunch of pretty Cossack girls get drilled up the Siberian pipeline in short order by a queue of impatient and ferocious cocksmiths.

First up is Kloe, and because Russians don't mess about, it's straight down onto her hands and knees getting it hard up the Gary. Then, what's this? – another bloke moves in from the front, dribbling, invades her penalty area and he's scored. Doubly penetrated, Kloe balks then squawks, but it's too late. Two cream pies are on the menu. Someone pass me a bucket.

Cover girl Polly Sunshine is third in line to contribute to the wares in the Vladivostok cream pie emporium but if you're not a fan of seeing women pull truly vast, staggering gapes, I would forward to the next scene where temptress Regina Presley is shedding her clothing on a massage table, gradually revealing fabulous breasts and a gorgeous body. Hurrah! Oh no… here we go again: she's yanking great cavernous gapes guaranteed to put the viewer off his mince and tatties for a month.

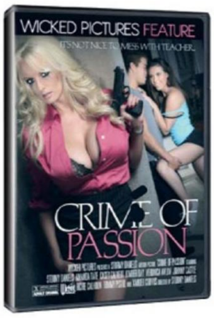
CRIMES OF PASSION

CAST: Amanda Tate, Casey Calvert, Kimber Day, Stormy Daniels, Veronica Avluv.



Even though Xander may not be the sharpest pencil in the box, his teacher Stormy Daniels is having a tempestuous affair with the 25-year-old schoolboy. But when new girl Casey Calvert comes to school only days after the twenty-something's 18th birthday, an erotic bond forms between Casey and the idiot man-child that Stormy just can't handle.

Meantime, while Casey's in class, her dirty Aunt Veronica has her front and rear bottoms gobbled by wanton cad Richie Calhoun before she rides the blackguard reverse cowgirl and strokes him into her maw, which remains open long after the facial popshot, a little like a baby bird waiting to be fed another worm.

And, though I can't see what this has to do with the storyline, Amanda Tate, Kimber Day, and Johnny Castle enjoy a threesome in the locker room at the school – despite the fact that, like Xander, their 18th birthdays must be very distant memories indeed.

Breaking poor old Stormy's heart, Xander the mid-20s school kid allows himself to be seduced by Casey, who rides him cowgirl until he gets cramp in his legs. But weep not for Ms Daniels… Tommy Pistol is already comforting the titillating teacher by bonce-knobbing her to the point where her grief is more than likely replaced by brain damage.

CHAMPAGNE SHOWERS

Starry-eyed blonde stunner Jessa Rhodes leaves her life, her family, and her boyfriend's straining todger behind, hoping to make it big on the Los Angeles music scene in what amounts to a strum, bum and finally come jamboree.

Sadly I completely lost track of the plot, always assuming there was one, approximately 20 minutes into Jessa's wistful farewell fuck with trying-not-to-sob boyfriend Tyler before setting off to follow her three-chord dreams. The next thing I knew a Gothed-out Alektra Blue was servicing club owner Xander Corvus, and Euro blonde Nikita Von James, the owner of a bar in which Jessa works, was getting slammed on the bed of a pickup truck by Erik Everhard, and secret lesbian barmaid lovers, Kirsten Price and Breanne Benson were making up after an argument by licking each other out as though they had ice-cream cones between their thighs, not fannies.

★★★★☆

For some reason (by now I had no notion what on Earth was going on) scene five discovers Jessa wearing nothing but a sheer pair of aqua-coloured panties sitting on her bed working out chords on her acoustic guitar beside her new goofy-looking male friend Keiran Lee. Sweeping Jessa into his loins he rams his cock into her mouth and at one point very nearly up one nostril, and a passionate scene unfolds, fizzles out, then folds up again.

Very WTF, but tasty nonetheless.

Personal Details

Age: *20*

Vital Statistics: *36C-25-32*

Second Profession: *Secretary*

Home Town: *St Andrews*

Is it true that gentlemen really do prefer blondes?

You'll have to ask a gentleman that – if you can find one. I certainly get my fair share of admirers, but they'd think taking me out for a McDonald's was a romantic meal for two!

What would be your idea of a night out?

There would be a meal, but I'd want something classier than a rubbery burger. Champagne, lobster and a bit of old-fashioned dancing would be nice. And of course, he'd have to pay for everything.

It sounds like you've got expensive tastes.
I would have if his wallet was big enough. I think it would be well worth his while in the long run, though…

Meaning what?
If he puts out, he might get a chance to get out.

Get out? Leave?
No – 'get out' his cock! That's why he's got to spend money on me. Because then he'll really want to keep me in bed, fucking away for as long as he can – which really is exactly what I wanted all along, of course!

18 years old – oh the potential encapsulated in those words! – and 18 years old is exactly the age of this set, which originally appeared back in volume 31. Babies who were being born that year are now able to model for the magazine, which is quite a sobering thought. On the other hand, it means that Carla here is still only 38 years old! Hmm, we can't help wondering if she's still up in St. Andrews (if she was ever there in the first place) – and if so, whether some lucky local has managed to bag her for his missus! If anyone knows, drop us a line!

CELEBRITY MUSICAL CHUFFS

SEX DEGREES OF SLY STALLONE

Sylvester Gardenzio Stallone, nicknamed Sly and now 67-years-old, is especially well known for his Hollywood action roles, having portrayed boxer Rocky Balboa and soldier John Rambo. A screenwriter and director to boot, Sly wrote every instalment of these franchises, and directed some too.

Stallone had his first starring role in the 1970 softcore porno *The Party at Kitty and Stud's*, later explaining that he'd done the film out of desperation after being evicted from his apartment. The film was released several years later as *Italian Stallion*, in order to cash in on Stallone's newfound fame.

In 1974 Stallone married SASHA CZACK from Pennsylvania. The couple had two sons, Sage Moonblood, who died in 2012, and Seargeoh, who was diagnosed with autism at an early age. The couple divorced on Valentine's Day, 1985.

His second and most famous marriage was to BRIGITTE NIELSEN, a Danish actress, model, singer, and reality television personality who acted in the 1985 films *Red Sonja*, and *Rocky IV* and *Cobra* alongside Sly. After their divorce in 1987 she built a career in B-movies later appearing on reality shows such as *Flavor of Love* and Britain's very own *Big Brother*. Though her marriage to Sly only lasted 19 months, she later confessed that she'd had time for an affair with the late film director TONY SCOTT.

Ten years after his divorce from Nielson, Stallone married JENNIFER FLAVIN (born August 14, 1968) an American model and nowadays an entrepreneur and business owner. They met in 1988 and wed nine years later in a civil ceremony at The Dorchester Hotel in London, followed by a chapel ceremony at Blenheim Palace in Oxford. How lovely.

In this MONTH

In 1865: After over 500,000 American deaths, the Civil War effectively ends as General Robert E Lee surrenders to General Ulysses S Grant in the village of Appomattox Court House. The terms of the surrender, written by General Grant, allow Confederates to keep their horses and return home. Officers are allowed to keep their swords and side arms. Nothing is said about whether or not they can keep their pants and trousers.

In 1912: In the icy waters off Newfoundland, the luxury liner Titanic with 2,224 persons on board sinks at 2:27 a.m. after striking an iceberg just before midnight. Over 1,500 persons drown. The incident horrifies the world and will later inspire the director James Cameron to make one of the most shit films of all time and proclaim himself "King of the World" at the Oscars.

In 1918: During World War I, Manfred von Richtofen, famously known as The Red Baron is shot down and killed in a dogfight near the Somme. Credited with 80 kills in less than two years, flying a red Fokker triplane, the Baron is – astonishingly – mourned by both sides and given a funeral with full military honours by the Brits.

In 1961: Russian cosmonaut Yuri Gagarin becomes the first human in space, travelling aboard the Soviet spacecraft Vostok I to an altitude of 187 miles above the Earth and completing a single orbit of the world in a flight lasting 108 minutes.

Etiquette for the BEWILDERED

An A-Z of things you really, really need to know. No honestly...

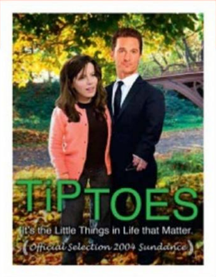
The definition of the nouveau expression "Vampire Ass" is an arse "so juicy you just can't help but sink your teeth into it". Associated terms include Vampire Biscuits, which references big breasts on a Goth girl.

Other new allusions to the undead include the expression "Vampire Brain", meaning the type of brain which functions best at night, and piss-poorly during the day. Also new is "Vampire Clingy", an expression describing a person who is so extremely clingy during a relationship that he or she threatens to suck the life out of their partner.

V IS FOR "VAMPIRE ASS"

LUDICROUS MOVIES

Some movies and movie franchises are just so preposterous that it's a wonder most people don't start leaving the cinema after the first five minutes, or else attack the screen with baseball bats and machetes… Let's run through the absolute worst insults to the intelligence…



TIPTOES
It's the Little Things in Life that Matter.
Official Selection 2004 Sundance

LITTLE OTIK (2000)

Incapable of having a baby of their own, a couple carve one out of wood. Er, that's it.

TIPTOES (2003)

Matthew McConaughey is the only non-dwarf in a family of dwarves. His wife, Kate Beckinsale, hates dwarves. After lots of intercourse with Matthew she is horrified to realise she is pregnant and they are both worried their baby will be a dwarf.

This is one of the worst films ever, with Gary Oldman playing one of the dwarves and Peter Dinklage both shaming themselves by appearing in this total humdinger. Most appalling of all is the claim by the film makers that this is "Gary Oldman's role of a lifetime".

ANONYMOUS REX (2004)

Anonymous Rex imagines a world where dinosaurs did not become extinct. In fact, they actually faked their own extinction, thrived, and now live among us disguised as humans. The film employs a film noir-style and follows Vincent and Ernie — a Velociraptor and a Triceratops disguised as private investigators — as they look into the murder of Ernie's ex-girlfriend's brother. What they uncover is a vicious plot by a prehistoric radical to spark a revolution that will convince dinosaurs to stop living a lie and take over humanity once and for all.

To her shame, Academy Award winner Faye Dunaway co-stars.

SHARKTOPUS (2010)

In this Roger Corman-produced creature feature, a US Navy experiment to genetically engineer a half-shark, half-octopus for use in naval combat goes horribly – and predictably – wrong. The toothed, tentacled beast escapes and wreaks havoc on bikini-clad beachgoers off the coast of Santa Monica. Academy Award nominee Eric Roberts stars. For shame.

The most stupendously stupid bit is when a beautiful young beachgoer bungee-jumps off a seaside cliff, only to be snatched in mid air by Sharktopus.

FAMOUS LAST WORDS

"Maybe they only have one rocket."

(He was killed by the second one, which demolished the bunker – and him.)

Lawrence Beeter

A WWII British soldier who was taking cover in a bunker after a German rocket assault.
